Intermittent Stream

River

Glacier

Where international, state, and/or county boundaries coincide, the map shows the boundary symbol for only the highest-ranking of these boundaries.

<sup>1</sup> A " " following a place name indicates that the place is also a false MCD; the false MCD name is not shown.

<sup>2</sup> In 1990, the crew-of-vessel population of ships at sea was allocated to census tracts with a "99" suffix. An anchor symbol appeared on the 1990 maps locating a crew-of-vessel tract. These maps show a very small area symbolized as a census tract with the census tract number shown near the area.

<sup>3</sup> A " " following a block number indicates that the block number is repeated elsewhere in the block.

The map displays the 1990 census tracts and blocks for Hampton County, South Carolina. The county is divided into several large tracts, including Hampton 31885 (pink), Varnville 73600 (yellow), and Hampton-Varnville CCD 91430 (yellow). Within these tracts, numerous smaller blocks are identified by numbers (e.g., 518, 519, 511A, 517, 521, 520, 542, 543, 544, 545, 541A, 541B, 547, 548, 549, 550, 551, 552, 554, 555, 570, 571, 572, 573, 574, 575, 576, 577, 578, 579, 580, 581, 582, 583, 584, 585, 586, 587, 588, 589, 590, 591, 592, 593, 594, 595, 596, 597, 598, 599, 600). The map also shows major roads, including Highway 1, Highway 2, and Highway 3. A legend in the top right corner defines the symbols used for various features, including international boundaries, AIR (American Indian Reservation), Trust Land, TJSA/TDSA/ANVSA, ANRC, MINOR CIVIL DIV<sup>1</sup>/CCD, Place within Subject Entity, Incorporated Place/CDP<sup>1</sup>, Place outside of Subject Entity, Incorporated Place/CDP<sup>1</sup>, Census Tract/BNA<sup>2</sup>, and BLOCK<sup>3</sup>. A scale bar at the bottom indicates a distance of 6 km. A north arrow is located in the bottom left corner. An inset map in the bottom right corner shows the location of Hampton County within the state of South Carolina.

All legal boundaries and names are as of January 1, 1990 as tabulated for the Public Law 94-171 and Summary Tape File products. The boundaries also reflect the feature network and coordinates as of the Census 2000 geographic base. Since 1990 the Census Bureau updated the base from the North American Datum of 1927 (NAD27) to the datum as of 1983 (NAD83) and made numerous updates to the base features from those depicted in 1990. The boundaries shown on this map are for the Census Bureau's statistical data collection and tabulation purposes only; their depiction and designation for statistical purposes does not constitute a determination of jurisdictional authority or rights or ownership or entitlement.
